VIEW PLEDGE:

I pledge to promote the interests of VIEW, to extend friendship to all and to help those in need.

PRESIDENT'S REPORT

Our Fifth Birthday is a significant milestone in our club's history. We are STRONG, we are INVINCIBLE and we are READY for whatever the future holds. Our current membership stands at 85 with prospective members "knocking at our door". A big thank you goes to all those members who are "spreading" the VIEW word in our community and supporting newcomers and making them feel so welcome.

When you receive your member detail list by email, I am hoping you will use it to make contact with members, offer support if required and build stronger links within the club. As an example, the list will have:

Postcode	Name	Email	Contact no.
3940	Mandy K.	mandykiklis55@gmail.com	0405 942 599

FACTS ABOUT THE NUMBER FIVE

- The number 5 symbolises-freedom...curiosity...change.
- 5 is the one and only prime number that has a sum of two consecutive prime numbers 2 and 3-so there you go!
- According to Plato- 5 is an evil number because of its basic connection with the five senses that bring on - seduction, desire and pride!

I hope that we all enjoy our 5th Birthday celebration with a big thank you to the organising committee AND have a Happy Mother's Day (let's remember the special role "MOTHERS' play in all our lives).

Thanks.

**Mandy
President.**

CLUB NEWS

Learning for Life Program – Ros & Naomi

Ros and I have been busy corresponding with our students and we love receiving responses from them. There have been three thank you cards, from Jenny, Skye and Tavila thanking us for the gift cards and vouchers we sent. I have sent Ethan an 18th birthday card and voucher for June. We have since been notified that Ethan, our Year 12 student has decided to leave school to pursue other opportunities. The Smith Family has already allocated us another student. His name is Noah, a Year 11 boy who (like Ethan) likes manual trades and wants to be a diesel mechanic or a “chippy”. Our 10 x LFL students range in age from 6½ to 18 years. Writing to them requires us to be aware of their age, their level at school, their personal interests and hobbies, family and friendships and future aspirations to target our words of encouragement. Receiving those replies and thank you cards confirms you’ve made a connection.

Ros M & Naomi G, Learning for Life Co-ordinators

MAY PROGRAM OFFICERS REPORT

Greetings ladies,

Another busy month has flown by with lots of interesting activities.

We have had two connect@coffees, both enjoyable with a small but happy group at the Laneway Café. We continue to have good numbers at Knitting Nancys, Movie date and the Soiree. It's great to see different faces at all our events. The Girls' Night Out was enjoyable at the Peninsula Club where the food was delicious, service slow for some, but the chatting and connections never stopped. Apologies again for last minute change of venue!

The excursion to Studio & Co was fabulous. I think all of us enjoyed the glass blowing demonstration and a wander around the wonderful studios, the retail shops and of course finishing off with lunch in the café. I would thoroughly recommend a visit if you get the chance.

The month of May sees us continuing to frequent cafes and restaurants and events around the Peninsula. Not to mention our 5th Birthday party on the 9th May. I have my costume ready to show off. Don't be put off by having to dress up as I know several ladies just going as themselves. You can also wear something starting with the first letter of your first name.

There is a finger licking excursion to the Chocolate Factory in Flinders where we will be making Rocky Road. Yum yum! Then kicking on for lunch afterwards.

Monday's walking group will continue this month and then pause for winter from June until Spring.

Hope to see you all at some stage this month.

Jane, Laila and Delwyn
(Program Officers)
